Professional Summary

Empathetic, community-minded Bachelor of Arts student seeking to utilize technical literacy, media production skills, and client service experience to support non-profit and community operations. Skilled at translating complex technical procedures into accessible, easy-to-understand concepts. Passionate about digital inclusion, device safety, and support for seniors and individuals navigating new software systems.

Core Skills

Community Support:	Digital literacy mentorship, password safety instruction, patient customer support, cross-generational communication
Technical Support:	Device configuration (smartphones, tablets, PCs), router setups, software troubleshooting, credential setup
Media & Production:	Event videography, creative editing (Premiere Pro/DaVinci Resolve), archive management, social media publishing
Operations:	Client relations, project scheduling, detail-oriented task management, reliability and punctuality

Volunteer & Community Involvement

Digital Literacy Support Volunteer	2024 - Present
Community Initiatives, Waterloo, ON	
- Provided one-on-one technology assistance to local seniors, helping them configure personal devices, set up secure emails, and browse safely. - Developed and presented basic software guidelines in simple, non-technical terms, fostering digital confidence and independence. - Assisted patrons in configuring strong passwords, multi-factor authentication, and safe network connections to prevent cyber fraud.	

Experience

Athletics & Recreation Videographer	Aug. 2023 - Apr. 2026
Wilfrid Laurier University, Waterloo, ON	
- Captured, edited, and published media for university events, ensuring clean visuals and audio to promote healthy student activities. - Partnered with athletic coordinators and event organizers to align media coverage with school community objectives. - Managed digital asset archives, organizing footage databases for rapid retrieval by student athletes and athletic departments.	
Freelance Media Contractor	2020 - Jan. 2026
Independent Contractor	
- Served a diverse global client base, completing 1,400+ custom media tasks with a 4.8/5-star satisfaction rating. - Guided clients through project scoping and delivery with clear, friendly, and patient communication. - Maintained precise digital records and environments to ensure consistent quality and timely deliveries.	

Education

General Bachelor of Arts Student	Sep. 2021 - Present
Wilfrid Laurier University, Waterloo, ON
